Attention: Russell Steel

Russell,

Thank you for your effort in replacing the roofing at our premises so quickly and efficiently. We had concerns with the wet weather before Christmas that you would not finish in a timely manner however your schedule turned out to be quite accurate in the end. I was impressed with the manner in which you and your team conducted yourselves during the course of the work and buy how little impact it had on our business. Thank you very much with a job well done.

Yours sincerely
